## THIS WEEK AT THE MOSES-MASON HOUSE

Much of the past week was taken up with preparing the annual slide show "Gould Through The Years" which is featured each September during the Gould Alumni Week End. Many new slides of old photographs were included and approximately 150 persons attended the two showings. Many more photographs are needed including ones of the 1920's, 1930's and the 1970's. Anyone having one that might be used next year or at succeeding times is cordially invited to notify the Society, 824-2908.

The slide show was part of what is hoped will become an annual Homecoming Day in Bethel with a variety of activities centered around the Moses-Mason House. Highlighted this year was a harvest exhibit in the museum organized by Gertrude Hutchings, an art show assembled by Helen Morton and a special historical exhibit on "Bethel's Historical Heritage".

One of the Bethel Historical Society's most prominent members died this week and the deepest sympathy is expressed to her family. Nell Valentine was Charter Member, a Life Member and recently was named an Honorary Member. No one in the Society's history has been all three and this unique position is testimony to the great regard in which she was held. As a Trustee, a long time continued on Page Five

## Alumni Week End Is Success at Gould

Over 400 Gould Academy alumni, spouses and families returned to the campus last week end to participate in the many activities offered by the Alumni Association. Even the weatherman cooperated and predicted rains held off, leaving Saturday as a more typical September day. On Friday evening the class agents, reunion chairmen and Board members were entertained at a reception hosted by Alumni Director, Alvin Barth and his wife, Jane. The Alumni Board of Directors then met for their annual fall meeting at which time plans were reviewed for the next year of operation.

Saturday seems to be a day of eating with three major meals scheduled for those registered for the whole day. A hearty breakfast of scrambled eggs, sausage, blueberry pancakes and baked beans was served beneath a colorful blue and gold tent, set up behind the home of Headmaster Donald W. Fudge. Following that, over 60 alumni walked to the Bethel Historical Society's Moses-Mason Museum to view a special alumni slide presentation that was produced by Society Director Stanley R. Howe, Gould class of 1962. This popular show is entitled "Gould Through the Ages" and includes slides of Gould's history since it was founded in 1836. The show was repeated for another 60 plus alumni that afternoon.

The Alumni Luncheon and Annual Meeting was held in the William Bingham Gymnasium where 225 enjoyed a buffet. At this time the special five-year reunion classes, those whose numerals ended in 2 or 7, were introduced in addition to retired faculty who had been invited back for their festivities. Also introduced, were the

## From the Bethel Town Office

In the first meeting of the busy fall schedule, Monday of this week, the Board of Selectmen acted aggressively on a wide variety of items.

The meeting opened with a public hearing to consider victualer/liquor and entertainment license/permit applications from David Thurston in preparation for opening the Sudbury Inn. Mr. Thurston described his business plan that includes considerable interior/exterior renovations to the state-ly old inn "designed to offer tasteful cuisine and lodging in comfortable surroundings." From time to time small band combos will entertain with dinner music of various types "except that rock and roll will be excluded," said Mr.

Thurston. Addressing the parking problem that has detracted from previous ventures at this location, Mr. Thurston described actions taken to increase parking space on the Sudbury Inn property and arrive at agreements with nearby concerns to use their parking areas. The Board voted to approve the requested licenses/permits.

In similar action, the Board granted provisional approval of Ron Gilbert's request to change The Pit's entertainment permit to include live band music within the newly enclosed dining area. Provisional approval was voted by the Board to underscore the point that live entertainment had been offered before the extension. continued on Page Five

MRS. SEAMES' STUDENTS STUDIED FOUR BASIC FOOD GROUPS AT C. P. S.

Mrs. Seames' second grade class at Crescent Park School has been studying the four basic food groups. They all decided that breakfast was very important, especially now that they work so hard in the mornings. With this in mind the group planned, made, and ate a nutritious breakfast at school on Friday morning. The menu included one food from each of the four food groups.

Each student has made his own nutrition notebook. They covered everything from table manners, to healthy drinks, to how produce gets from the farm to the market. Mrs. Seames and the students agree that learning by doing is the best way!

ing off the bonds. The remaining \$56,250 is to be raised by the District. This will be the initial cost of the school to the District. Selectman Hanscom expressed concern that the State might at any time reduce or cut the program, and that since the District, not the State signs the bonds, that the cost might be far more than this. Also the interest on the bonds will be considerable, and the actual cost could well be more than the estimated cost, and Hanscom felt this cost would probably have to be borne by the District. The proposed school would have seven class rooms, a library and gymnasium. It would have 15,500 square feet of space. It would be of wood frame construction, with the two story section, containing the gym and multi-purpose room of masonry.

## GOULD TOPS TELSTAR 5-2

The Gould Academy Huskies  
downed the Telstar Rebels in boys  
soccer action before a large Alum-  
ni Day crowd on Saturday, Sept.  
25, at the Gould athletic field.

After battling through a score-  
less first quarter the Huskies be-  
gan the scoring at 1:41 of the se-  
cond quarter when Mike Senese  
scored the first of his three goals  
on the day from an assist by Will  
Hazzard. Senese's other two goals  
came at 12:15 and 17:20 of the  
same period to end the half-time  
scoring at 3-0.

The Huskies charged off the line  
in the second half and upped the  
score to 4-0 at 5:20 of the third  
quarter on a goal by Luis Loesin.  
The Rebels then countered with  
their only two goals of the game.  
The first was scored by Brian  
Whitman at 7:22 and the second  
by Chris Mills at 13:59 to end the  
third quarter at 4-2.

The final quarter saw only one  
score as Husky Charlie Flynn, as-  
sisted by Oliver Fisher, finished  
things off to end the scoring at 5-2.

Both goal keepers played great  
defense of their respective cages.  
Mike Angel was called on for  
four saves for Gould and Rebel  
goalie Brandon Salway had to  
stop five.

Each team contributed 13 shots  
on goal while Telstar led in cor-  
ner kicks 5-3.

TELSTAR 3, BERLIN 1  
IN FRIDAY SOCCER

The Telstar soccer Rebels picked  
up their first victory ever against  
the Berlin Mountaineers on  
Friday, Sept. 24 in Berlin.

The Rebels got on the score-  
board first at 14:45 of the first  
quarter when sophomore Ken  
Whitney put a well-timed half vol-  
ley shot into the Berlin net.

The half-time score was 2-0 after  
Bruce Barth vollied a crossing  
pass from right wing Chris Mills  
and fired it into the corner of the  
Berlin goal.

Then, at 14:42 of the third  
quarter, a defensive mix-up result-  
ed in the only Berlin score of the  
day as Don Arquire sent a free  
kick deflected from a Rebel play-  
er into the Telstar cage.

The final score of the day came  
at 5:33 of the fourth quarter when  
Shawn Smith took a pass from  
Rick Coulombe and left-footed it  
through a crowd and into the cor-  
ner of the opponents' goal.

Junior Josh Putnam contributed  
some fine defensive play and Bry-  
an O'Donnell had an outstanding  
day leading the Rebel attack with  
great team play.

Sophomore goalkender Brandon  
Salway was tough to get by and  
stopped six Berlin shots.

Telstar outshot Berlin 16-11 but  
Berlin led in corner kicks 4-1.

and myself, I'd like to take this  
opportunity to express our sincere  
appreciation for all the cards, vis-  
its and calls received while Carl  
was a recent patient in Stephens

wonderful people who gave me so  
much assistance and drives back

ly thanks to Herb Lyon, Betty and  
Ernest Perkins and Harold Rolfe  
and Andy for their help. Also  
thanks to the Bethel Ambulance  
and Rescue Service. Words alone  
cannot do justice to their kind and  
efficient service to this town and  
people; to Dr. Bernard Price and  
all the staff at the hospital, who  
showed so much concern and help-  
ing Carl back to health again.

Our heartfelt thanks to you all,

## Northwest Bethel

Clarice Gibson, Corres.

Rain, rain, go away. Actually  
we can't complain as we did have  
a very lovely week end. Last week  
itself it either rained every day or  
was overcast and today it is rain-  
ing. Over the week end we did  
have lovely days for harvesting  
and butting up. I see we are  
having full moon Sunday so sus-  
pect it will be a good idea to get  
harvested by then.

While talking to Alberta Angevine  
she was telling how one day when  
Ernest went into the corn (the last  
was just at its height) a coon fam-  
ily had harvested all but about a  
dozen ears which Ernest picked  
and brought to the house. They  
took out some for supper and put  
the rest in a pail on the steps by  
the door. In the morning they  
found that the coons had apparent-  
ly come up and taken the rest of  
the corn, husked it, and thrown the  
cobs around the dooryard. We al-  
so had this happen to us and as I  
use the later corn for canning (the  
ears are much bigger) we will  
just not have any.

Alberta Angevine also found a  
violet blooming on their front  
lawn.

Richard Saunders celebrated his  
17th birthday at his home, Friday.

Mr. and Mrs. Charles Mason,  
Melinda, Carole Mason Wight, and  
Scottie Brown went to the Tri-  
County Horse Show Sunday which  
was held at Oxford Fair Grounds.

Melinda rode Foxfire who was en-  
tered for the first time. Melinda  
and Carole both won ribbons.

Tuesday Mr. and Mrs. Ernest  
Angevine went to a McCulloch  
chain saw dealer meeting in Box-  
borough, Mass.

Mr. and Mrs. Lester Butters took  
a picnic and went over to the Five  
Kezars. They then went to Lovell  
to Marion Rodgers's.

Gerald Thurston of Mexico visit-  
ed Leslie Lapham Thursday. The  
two men were childhood play-  
mates and schoolmates.

Angela Jordan of Locke Mills  
stayed at the Daniel Hannons with  
her friend, Mary Beth Hannor,  
Friday night. Saturday all went  
to the exhibition soccer game with  
Gould. Telstar won. After the  
game the Hannons took Angela  
home.

Andy Smith, son of Mr. and Mrs.  
Homer Smith, went to the last race  
of the season at Oxford Speedway  
with Brent Bacheider and Brent's  
mother.

The Bill Williams have their  
flagpole that Bob Howe brought  
over for Bill's birthday. They have  
an American and State flag flying.

Bob and Linda Howe joined other  
family members at the new  
eating place in Sunday River. Oth-  
ers were Bob's grandmothers,  
Stella Howe and Ethel Ward;  
Bob's parents, Bud and Joan  
Howe; Roy and Betty Ward; Lur-  
vey Joan's sister, Connam;  
Bob's brother, Tom and Susan  
Kimball, who recently became en-  
gaged.

Mr. and Mrs. Frank Murphy had  
his brother and wife, Mr. and Mrs.

stayed at Edna Bean York's so  
they could go to their class ac-  
tivities together. Edna and Gladys  
both graduated in 1927.

ain climbing and hunting for min-  
erals Sunday.

were visitors one day last week of

sister's, Iva Holden's, Norway, on  
Sept. 14. In the afternoon Ira took  
me to the doctor's and brought me

## Sunday River

Jeannine Fleet, Corres.

Brad Harrington of Sunday Riv-  
er was one of the successful moose  
hunters. Brad got his moose in the  
Moosehead Lake region on Wed-  
nesday and arrived home on  
Thursday night with a 14 point,  
675 lb. woods dressed bull. They  
traveled about 150 miles on their  
three wheelers. This is a big ac-  
complishment for Brad as he has  
had MD for quite a few years and  
is unable to walk. Brad and his  
father, were accompanied by Un-  
cle Frank and Brad's brother,

## Locke Mills

Mrs. John Mills, Corres.

The Greenwood Historical Society is presenting an old time Greenwood slide show (revised) Sunday, Oct. 10, at 7 p. m. at the Town Hall, Locke Mills. There is no admission charge, but donations will be appreciated. The show will include many reunion and school photos. This will be the last showing for some time.

Reminder: The harvest supper at the church is Saturday at 5:30 p. m. There will be Sunday School registration at 7 p. m. following the supper, and a program of puppets for the children. This registration is optional, so if you can't attend the registration, this doesn't mean you cannot attend Sunday School which begins Sunday, Oct. 3, at 10:30. All children ages three through high school are welcome.

Lillian Lapham returned home Saturday after spending two weeks in Massachusetts and Connecticut. She visited her cousin, Helen Bacon in Boston from Sept. 9 to 13, then went to Wallingford, Conn., to visit her daughter and family, Mr. and Mrs. Roy Smith, Rebecca and Kathleen. Also while there she visited a couple of days with her granddaughter and great grandson, Mrs. Diana Dickinson and Jason in Torrington, Conn.

Mr. and Mrs. Harry Swan Jr. attended Gould alumni banquet on Saturday. They also stopped at the Moses Mason House to see the exhibit of "Gould Through the Years". Margery later joined 11 of her classmates at Don Bennett's home in Bethel for their 30th year reunion.

Mrs. Pearl Jordan is recuperating at her home following surgery at Stephens Memorial Hospital. Roy Lurvey, Gorham, was guest soloist at Locke Mills Union Church Sunday.

There will be two special offerings taken Sunday at the Union Church; one for Neighbors in Need and one of dried foods (such as macaroni) and canned foods for the Bethel food locker which is for emergency used in the communities. Sunday is World Communion Sunday and is a good time to share what you have with others.

Thoughts of the community are with those injured and the families of all involved in the recent accident on Route 26 in South Bethel.

The Windy Valleys Snowmobile Club will hold their Annual Lawn and Bake Sale to benefit the Oxford County Retarded Children's Association on Saturday, Oct. 9.

## Letters to the Editor

To the Editor:

I recently received some very informative literature from possibly whatever committee that is working for the Republican candidate for the senate. One of the enclosed papers states that Mr. Noble, the Republican candidate, is a member of many of our local, state and at least one national outdoor sportsmen's associations. It also states that we sportsmen need a sympathetic voice in Augusta, which we do. Indeed, we need many sympathetic voices if we are to continue to preserve our heritage as passed down from our forefathers.

I would like to mention that, for a number of years, the local sportsmen have had a sympathetic voice in Augusta. Mr. Twitchell, the Democratic candidate for the senate, has worked very close with local sportsmen during the years he has been a member of the House of Representatives. Mr. Twitchell has always sent to the local sportsmen groups the many bills introduced into the legislature and has voted as the local sportsmen have wished. A review of the position he has taken over the years on the many outdoor related bills will confirm this.

In my many talks with Don, I have occasionally differed with him on one bill or another, but he has always voted as the local clubs wished, not as I would have liked.

I admire Don for this. For it is very apparent to me that Don will vote as the many want, in the best interest of the many. Since he has never considered voting just to accommodate me, a good friend, I

am certain he isn't going to do so to please someone else.

However, let an individual have a problem in any area of his or her dealings with the government, and Don goes all out to help that person. No genuine need is too small for Don's concern. It is for this reason I will vote for Don this November. As a Republican, perhaps I ought not commit myself publicly in this manner, but I have looked at the record and believe that neither Democrats, Independents, nor Republicans will be better served by anyone than Mr. Twitchell, the representative who has never considered anyone's party or position, but their need.

Lawrence M. Austin  
Oxford

To the Editor:

As a young adult of District 5, I would like to take this opportunity to express my full support for Don Twitchell in the upcoming election for State Senator.

Don Twitchell is probably better known for the many long, hard hours he has spent helping the elderly and the poor. However I prefer to describe Don as a man who has dedicated himself to serving the people, regardless of age or background.

As a businessman, Don Twitchell is aware and concerned with the problems of small business today. As a father, Don is aware of the problems facing young adults. As a politician, Don has earned back the respect that was once associated with that title.

In the four years that I have known Don, he has gone to bat for me on the local, state and federal levels and has produced very favorable results. Also, when I have been faced with a problem that is out of Don's jurisdiction, he has given me the advice and names that I needed to get the problem taken care of.

I know of many other young people that Don Twitchell has helped out. I urge you all to show him the support that he has shown you. The easiest way to do that is to vote for Don Twitchell in November.

Sincerely,  
Brian E. Shibles  
Harrison

**LOCKE MILLS UNION CHURCH SUNDAY SCHOOL STARTS OCT. 3**

The Locke Mills Union Church is trying a new twist to the opening of Sunday School this year, to help parents, children and teachers become better acquainted.

Following the public Harvest Supper on Saturday, Oct. 2, parents may register their children for Sunday School classes which will start at 10:30 a. m., Sunday, Oct. 3. A family fun hour will begin at 7 p. m. in the church featuring Carl Brooks and his dancing dolls.

The Christian education of youth is a very important part of the work of any church. The members and friends of the Locke Mills Church are very proud of their excellent Sunday School and dedicated group of volunteer teachers and want everyone to feel welcome and a part of this ministry.

Pre-registration is not necessary in order for a child to attend Sunday School. Anyone unable to join the fellowship on Saturday night and register children, may register them at 10:30 a. m. on Sunday.

At the close of the banquet, the reunion classes retired to near-by homes, restaurants, or inns for more socializing.

On Sunday a special alumni service was held at the West Parish Congregational Church which has long had close ties with Gould.

Baccalaureate services are held there and many faculty and students have or still do participate in the choir and youth activities of the church. A special memorial was read by Alumni Director Al Barth '54 remembering those alumni, faculty and friends of Gould who had passed away during the year since Alumni Week End 1981.

Plans are already underway for Alumni Week End '83 on Sept. 25, 1983, with the five-year classes being those whose numerals end in 3 or 8.

## FROM MOSES MASON HOUSE

continued from Page One

member of the Museum Committee, generous donor, Mrs. Valentine was one who took an early interest in setting up the Moses Mason Museum. She not only supplied some of the furnishings but also hand stitched all the bedding and provided two quilts, that will always be prized, two quilts made by her for the niece's room of the museum, one for the adult bed and another for the child's crib. Both are masterpieces of her work and an important indication of her interest and devotion to the Museum and the Society.

Perhaps the most memorable contribution Mrs. Valentine made to the Museum and the special events of the Bethel Historical Society were her demonstrations of the art of quilting. Every Heritage Day, she was always one of the star attractions and whenever a school group visited the museum she was invariably willing to share her special gifts with students of all ages. How these students hated to leave her when the time came for them to go back to school. She had made their day and the Society will always remember her for this and her many other contributions to its progress.

Anyone interested in taking the Maine History course to be offered at the Moses Mason House Wednesday evenings for six weeks beginning Oct. 13 is urged to notify the Society by calling 824-2908.

The monthly meeting of the Society will be held Thursday, Oct. 7, and will feature the annual "What's It?" All having unusual items from the past are urged to bring them to the meeting for display and discussion. Also of interest at this meeting will be an exhibit from the State Museum, "Maine, the First 10,000 Years," which will be displayed in the meeting room. An added feature will be the showing of more slides made from old photographs during the past year.

The 1983 Bethel Historical Society calendar is now at the printers and expected to be available soon. Be certain to get yours early as only a limited number will be printed.

## RESOLUTIONS OF RESPECT

There is sadness in our hearts as we learn of the passing of our Worthy Sister, Eva Yates. But the members of Bear River Grange recognize the wisdom and mercy of our Heavenly Father, Master of the Great Grange above, in calling our Sister to her eternal rest. Our Worthy Sister, Eva Yates, served the Grange faithfully and diligently over 50 years of service in the positions of Flora, Pomona, Ceres, Lecturer, and Chaplain. May the following poem be dedicated to the memory of our beloved Sister.

You can't hold back the tide  
Or stop the waves from flowing  
Or keep a rose from withering  
Or still a wind that's blowing.  
And time cannot be halted  
In its swift and endless flight  
For age is sure to follow youth  
Like day comes after night . . .  
For he who sows our span of years  
And watches from above  
Replaces youth and beauty  
With peace and truth and love . . .  
And so it seems, those passing years  
Are opening up the way  
To the everlasting beauty  
Of God's eternal day.

It is the desire of Bear River Grange members, that copies of these Resolutions be sent to the Family of our Sister, to the Bethel Citizen for printing and a copy be held in our keeping.

— Mrs. Arline Bernier, Corres. —

We express sympathy to Elsie Douglass, Mary, Ann, Velzona, Nelson and the rest of the Douglass family. Mere words are so inadequate at a time like this, but mine are a prayer to Jesus asking that He put His arms around each and give you comfort.

Bobby Dapollito was taken to the Rumford hospital after several days illness and underwent an emergency operation for an appendix about ready to burst.

Roland Bernier cut his hand with a chain saw kickback Friday. Elsie Lecomte took him to Bethel Medical Center and he went from there to Androscoggin Valley Hospital, Berlin, where he underwent an operation. He returned home Saturday but will need to be readmitted next week for skin graft.

Ellen Heywood returned home last week from an 11-day tour in the Provinces of Canada. The Ladies Aid held a work meeting Thursday and started on a crazy work or patchwork quilt for next summer or sooner. We are also working on a combination painted and patchwork quilt to be awarded in November. Donations of small cotton scraps for a greater variety are welcomed.

Ellen Heywood, Joy Yarnell, Elsie Fuller and Margaret Mitchell attended the fair in Wilson's Mills Saturday.

The Wells from Toledo, Ohio, have been at their home, the former Brooks place, where Mr. Larochelle has been doing inside remodeling.

The Ladies Bible Study is scheduled for Wednesday a. m. at Yvonne Viens' home.

Andre Viens spent the week end at his camp on Back Street as he'd spent a few days at Men's Retreat in Lovell.

Guests during the week end at Berniers included the Lou Bernier family of North Waterford, the

## PURITY CHAPTER #102 TO MEET OCTOBER 6

Purity Chapter 102, O.E.S., Bethel, will hold a regular stated meeting at 7:30 p. m., Wednesday, Oct. 6. A 6 o'clock pot luck supper will precede the meeting. Members are asked to bring a hot dish, salad or dessert. Degrees will be conferred on one candidate.

Bergerons, Bob Folsom and the Phil Korhonen of Newry. Otis Monton of Andover called on Monday on business.

—deferred—

Congratulations to the 4-H Club which made second place in the exhibition hall in Oxford County Fair and to the leader, Chris Murphy. Also congratulations to Amy and Jill Murphy who did very well and placed high with their fall lambs. This all represents a lot of hard work for the youngsters, 4-H leader and parents.

Chris Murphy had the misfortune to have her purse stolen. She was in the North Chatham area and left the purse locked in her car while they went to some scenic spots. She was gone less than an hour but returned to find a window had been deftly removed and the purse missing. It could be a reminder to keep a copy of addresses, license number, social security number, and such at home—or in some other ways adjust to this crime ridden society.

Fred and Marian left for Florida early to take part in a pre-planned bus tour to the World's Fair which leaves from Florida in late September or early October.

Wilfred Lavalley and Mary Roy, both of Upton, were married Saturday afternoon, Sept. 11. Christine Murphy officiated as Justice of the Peace at the ceremony which was held at his parents' home.

## MAGALLOWAY & WILSON'S MILLS

## WEST BETHEL Children's Center

The Children's Center has opened its doors for a new program year. 32 pre-school children, ages 2½ to 6 years are enrolled in the Head-start and Daycare programs. Children from both programs are integrated in one daily routine and both programs receive benefits from sharing staff and materials. The different age groups contribute to a warm-caring "home-like" environment. The whole center is set up in Learning-play areas specifically designed to meet children's needs in all developmental areas; such as social/emotional, language development, intellectual, fine and gross motor, and nutritional and health. The Center also actively encourages parents to participate in the program with parent involvement and social service components.

Current activities are being geared toward helping children make the transition from home to school a smooth one. Children are responding enthusiastically to the many varied activities and everyone is looking forward to a great year!

Staff at the Center are Donna Richard-Chapman, head teacher; Katrina Colombos, Patricia Saunders, Tracy Poland, Martha Stowell-McLean and Colleen Pinette, all teachers. Social Service Aide is Lorraine Redman-Hall. Center cook is Tyrene Lovejoy.

Parent Group elected the following officers: Chairperson, Jennie Edwards; Vice chairperson, Brenda Blaisdell; Secretary, Karen Paul and Treasurer, Susan Kemp.

Center representatives voted to be on Children Services Policy Council are the following: Merton Brown, Community Representative; Karen Paul, past parent representative. Alternates are Brenda Blaisdell and Elsie Bonney. Present parent representatives are Susan Kemp and Arleen Hart.

A very special thank you goes to Bernice Rice and Arlene Bean in arranging and transporting Head-start children.

Also thank you to parent drivers, Susan Kemp, Opal Tyler and Verlie Mason.

(Tri-Town Ambulance & Emergency Rescue Service)

Tri-Town has 10 people enrolled in the Advanced first Aid class which meets Monday nights through December. Instructor Terri Dunham is delighted with the enthusiasm of the class.

The auxiliary is planning to rent craft space at the upcoming fair Christmas in October on Oct. 16 from 10 a. m. to 4 p. m. at the Locke Mills Legion Hall. Any with crafts to donate can call Katherine Hakala, Greenwood City, or Charlotte Beauchamp, 674-2980, or Chris Hefley, Bryant Pond 175.

The Tri-Town Ambulance members will be taking free blood pressure at the craft fair. Anyone can have their blood pressure checked by trained ambulance personnel.

The crisp air reminds us of fall with winter close behind. Use extra caution when getting in the firewood. Keep all chains sharpened, make sure others are not near when felling trees. Also be sure of an escape route for yourself. Don't operate the chain saw with only one hand. Make sure you have sure footing when using the chainsaw.

## Elderly Householders Tax and Rent Refund and Elderly Low Cost Drug Program

The Bureau of Taxation is now accepting applications for the Elderly Householders Tax and Rent Refund program for 1982. As in past years, the purpose of this program is to provide relief through a system of grants to certain elderly persons who own or rent their own homes. The amount of the refund is the property tax assessed or 25% of rent paid for the right of occupancy, up to a maximum of \$400.

An application form, together with instructions for completing it, is being provided by the Bureau of Taxation. Anyone who applied for this program in 1981 should automatically be mailed an application or the forms are also available at local town offices.

To qualify for the refund, you must have reached the age of 62 by Dec. 31, 1981, must have been a legal resident of Maine and must have owned or rented and occu-

pled this home for the entire year of 1981. Total household income for 1981 must not have exceeded \$6,200 in the case of a single member household or \$7,400 in the case of a multi-member household. An unmarried person who has reached the age of 55 and is receiving Federal disability payments is eligible providing he meets the other eligibility criteria. Married persons may also qualify at the age of 55 providing both spouses are receiving Federal disability payments.

The application form also covers the Elderly Low Cost Drug Program. This program provides eligible elderly individuals with the opportunity to obtain certain life-sustaining drugs for diabetes, heart condition and high blood pressure at a cost of \$2.00 per prescription. Eligibility criteria are similar to that for the tax and rent refund program.

CLAIMS MUST BE FILED BY OCT. 15, 1982.

Questions regarding this program and requests for forms should be directed to the Bureau of Taxation. Phone toll-free 1-800-452-1924.

## M. S. A. D. #44

## Superintendent's Newsletter

Dr. Wayne F. Gersen

For the past few years, the administrators and Board of Directors of S.A.D. 44 have made a concerted effort to involve the parents and public in their decision making process. This effort has resulted in the creation of advisory committees at each elementary school, advisory committees for the school lunch program and the building project, and an advisory committee for adult education. The Board's commitment to public involvement has also resulted in public hearings on the budget, curricular issues, and the building project.

Public participation has, on occasions, been the source of mutual frustration. I have participated in several "public" hearings where only Board members and school personnel were in attendance, a frustration for S.A.D. 44. On the other hand, committee members and public hearing participants often feel frustrated because they feel their suggestions fell on deaf ears and the rate of change in the school organization is too slow.

On other occasions, however, public hearings and advisory committees have resulted in mutual satisfaction and mutual understanding. Often, participants in public hearings gain a deeper understanding of the total picture facing the school board, while the Board members gain a greater understanding of the public's position. Both parties leave the hearing with a new outlook. Often, particularly on advisory committees, Board members and administrators get very valuable assistance from community members, and community members gain a sense that their participation resulted in a positive change. In this case, both parties share in a satisfaction that results from accomplishing a difficult task.

In the coming weeks, the district will be expanding its community outreach in several ways:

Three advisory committees will be formed: an extracurricular review committee; a solid fuel committee; and a high school advisory committee. Each of these committees will meet 4-6 times in the coming year. The extracurricular committee will review the current extra-curricular offerings, and submit a recommendation to the Board on the future direction of extra-curricular activities in S.A.D. 44. The solid fuel committee will examine the long-range and short-range consequences of converting to solid fuel in S.A.D. 44, and prepare a recommendation for the Board of Directors. The high school advisory committee will work with the high school principal, Warren Bouchard, and the Telstar Regional High School faculty Advisory Committee to review the current high school curriculum and organization and review proposed changes. Each of these committees needs community members, and each promises a level of participation that will be rewarding for committee members.

Three public hearings on the building project at Woodstock will be conducted, the week prior to the referendum. These hearings will be designed to answer questions about the funding of the school, and the concept of the school. The Board has decided that the question of building a school should be placed before the voters. The reasons for this decision will be shared at these meetings.

Public hearings on the budget for FY '84 will be conducted twice, prior to adoption by the Board; and prior to adoption by the public. While the level of public participation at budget hearings in the past has been low, it is hoped

## MAINE CHAPTER #7 1918 CLUB

## HOLDS FALL MEETING

Mr. and Mrs. Robert B. Swain of East Andover, entertained 65 members and guests of the Maine Chapter #7 of the 1918 Club at their home on Sept. 26. The club has been organized for ten years and this was the largest attendance. Sixteen arrived in time to attend services at the First Congregational Church in Andover.

A delicious meal was served, followed by an auction. President Doris Remick, Sanford, conducted the meeting. A slate of officers for 1983 was elected. President Doris Remick, Sanford; Vice President, Charlotte Hall, Portland; Secretary and Editor of a monthly bulletin, Violet P. Swain, East Andover; Treasurer, Phyllis Bellmer, Scarborough.

After dinner and during the afternoon Mr. Swain gave plane rides to those wishing to see the fall foliage. Many took advantage. Some had never flown before and were pleased.

A Christmas party is planned for Happy Jack's in Lewiston, Dec. 4. The "Acorns", a senior citizen group, will entertain after the dinner. They live in the Lewiston area.

Beatrice Elie, Biddeford, was responsible for acquiring an American flag to be displayed with the 1918 flag.

Mr. and Mrs. Samuel (Hope) Tibbets, Belfast, and Mr. and Mrs. Sidney (Jean) Perry, Kennebunkport, had celebrated their 49th wedding anniversary this past month.

Prizes were awarded to Dorthea Rice, Morrill, for the most children; most grandchildren; coming the longest distance; and belonging to the club for 10 years. The door prize, a large pillow of red, white and blue, with the club emblem, was awarded to Charlotte Hall, Portland.

The Birthday Cake Walk was won by Madeleine Price, South Portland, for June; Charlotte Hall, Portland, for July; and Mary Philbrick, Kennebunkport, for August. All cakes were made during the year by the president, Mrs. Remick.

The 1918 Club is international with more than 1,800 members, all born in that year. There is a national convention every two years. 1982 was in Orlando, Fla., and 1984 will be in Tacoma, Wash. Anyone wishing to join should contact Violet Swain, East Andover, Maine 04226. The International King is a Maine member, Fred Bligh #1440, South Casco.

that by scheduling the hearings prior to the Board's final deliberations, greater public participation will result.

If you are interested in participating in any of the committees described above, please call my office at 824-2185 between 8:00 and 4:00. I hope that if you are interested in learning more about the S.A.D. 44 building project, or participating in the S.A.D. 44 budget development process, you will be able to attend the public hearings in your area. If your participation or attendance is impossible, please contact your school board member to share your thoughts. The administrators and Board of Directors' greatest frustration is apathy and silence. Please share your thoughts with us in the year ahead.

- Mrs. Colista Morgan, Corres. -

This was a tantalizing day. I walked in many places and noticed that leaf by leaf trees are becoming a lovely sight. One tree alone can bring out the beauty of a hillside the same as one special flower can give essence to an entire garden.

But at this time when color comes and I think I'll describe it, I find that I can't do it justice. It constantly changes in new light. It can defeat any tongue or pen.

From a spot in one field I could look down on the cows grazing together in leisure. But then, one can hardly use the word leisure for a cow never has anything else.

I went through a gap and into an unbroken woodland.

A partridge caromed away with startling wings.

The silence of the forest deepened my sense of mystery through which I was walking. It was as if I were out of time with this spot, maybe intruding on a place not meant for me. Were the trees making some secret preparation and waiting for me to get by?

On a Warren ridge there grew a small clump of scrub oak. There also stood on guard over them a giant oak holding its arms with strength skyward. As I approached it, I noticed just beyond a hollow maple which the woodpeckers found quite to their liking. They did not feel that it was old and dying and saw no ghosts.

The aspens which I passed; I think of in summer as warm and friendly for the whispering of their leaves a sense of gentleness. In fall these leaves are masses of old gold on all hillsides, mirrored in a sea of blue. By the river they mingle with the reds, and yellows, moving slowly, shifting positions with the movement of the water.

From the ledges I stood and looked out across the water to catch the reflections of the coloring. The broad trail of red that ran out in the water fascinated me. The light changed their tracery to a lovely pink.

The air was heavy with redolence of moss and resin, as I approached the Spring Road leading me home.

A slight breeze awoke in the sky and the waves rippled on the shore as I entered the yard.

What a beautiful walk on this

day, so lovely! Then to be followed by the going down of the sun with a bright twilight which we observed from our windows. The water, as well as the atmosphere, absorbed and reflected the light, and some of the day seemed to have sunk down into the waves.

Press Robinson and Erich Montgomery were guests of Joe DiArenzo from Friday until Monday. Press and Erich were co-workers with Joe at Campbell Soups in Camden, N. J., in the Environmental Laboratory.

Mrs. Jemmis Lagard and Mrs. Bernice Brown spent Friday with Mrs. Zilpha DiArenzo.

Visitors at the Hayes Homestead were Duane Hayes and children, West Paris; Ardell Hayes, Auburn; Glenn Hayes, Gray; and the daughter of Mrs. Verna Libby, Falmouth.

The eight members of the T. T. Club met on Thursday at Lyndell Farr's home for an early Christmas party. There was an exchange of gifts, a small tree and other things that go with Christmas. Some of the members leave for Florida on Oct. 1. We enjoyed it among the snowflakes of December.

Doris Hayes attended the memorial service for her sister-in-law, Eva Yates, on Thursday in Bethel.

Evelyn Tamminen, Yarmouth, called on Mr. and Mrs. Nestor Tamminen on Sunday.

We were in Bethel on Tuesday to visit with Mr. and Mrs. Ernest Mundt.

Mr. and Mrs. Frank Curtis, and Mr. and Mrs. Fred Curtis, were in Portland on Friday where Frank had an appointment with his surgeon.

"MICKY" NOBLE SEEKING  
DISTRICT FIVE SENATE SEAT

Alanson "Mickey" Noble of Otisfield, Republican candidate for State Senate District 5, is a strong believer in the Republican philosophy of individualism and free enterprise.

A strong small business advocate, Noble supports efforts for meaningful changes in workers' compensation laws. He has received the support of the MEPAC (Maine Chamber of Commerce Political Action Committee). In response to their endorsement Noble said: "I am proud to have the endorsement of the Maine Chamber of Commerce. They are a strong advocate of business, particularly small business which makes up 90% of all businesses. In my travels around the district I have talked to many small business men and women and they all feel strongly that something must be done to ease the workers' compensation laws. This will create a better business climate and thus create more jobs for Maine people. I support the State Chamber's efforts to make meaningful changes in the existing workers' compensation laws."

Other issues and challenges important to the people of Maine and emphasized by Noble include: Care of natural resources is more important now than ever before and he will continue to support environmental regulations that are acceptable to both consumptive and nonconsumptive users; he believes the challenge of the "New Federalism" of the 80's can be a smooth transition to local control without undue hardship on municipal governments; another challenge is the rising crime rate. Being a strong advocate of swift and certain justice, he will work to foster necessary cooperative law enforcement efforts that will ensure the continuation of a quality lifestyle.

Noble is married and the father

Alanson "Mickey" Noble

of four children. He was employed by the Department of Inland Fisheries and Wildlife for over 25 years, serving the last three years in the top administrative position of Game Warden Colonel. While serving in the Maine Warden Service, one of his primary responsibilities was drafting legislation and seeing important bills through the legislative process. Trained in courtroom demeanor, Noble is comfortable expressing himself under pressure.

Mr. Noble is a Selectman for the Town of Otisfield, Past President of the Western Maine Law Enforcement Association, Vice President of the Maine High School Alumni Association and a member of the National Rifle Association, Maine Trappers Association, Ruffed Grouse Society, V.F.W., Oxford Lodge #18 A.F. & A.M., Norway-Paris Kiwanis Club, Sportsman's Alliance of Maine, Oxford Hills Area Development Corporation and the Androscoggin Valley Regional Planning Commission.

The House of Representatives, who spoke for Congressman David Emery, Rep. Tarbell said Congressman Emery will be in and out of Oxford County in the next six weeks, clearly focusing on issues, not a negative campaign, a campaign to point out differences in candidates.

State committee members Barbara D. Brown and Don Buzzell were present. They both stressed voter enrollment and absentee ballots. A report was given on State Committee activities. It was reported by Barbara Brown that State Committee Chairman Hattie Bickmore will be visiting all County Chairmen in the next few weeks to encourage gearing up.

Republican County headquarters will be opening Oct. 3 or 4 at the building next to Minnie's at South Paris. The Headquarters will be open every day from then until after election day, Nov. 2. Mailings will be done from the location as well as organizing Blitz and other activities.

Next meeting will be held at the South Paris Fire Hall Oct. 12.

Mrs. Bertha Thurston is now at Ledgewood Memorial Home, West Paris, following discharge from Stephens Memorial Hospital.

Ted Gallant, son of Mr. and Mrs. Stanley Gallant, has arrived in Salzburg, Austria, to study for part of his senior college year. He reported an enjoyable flight, followed by train and bus through Germany and Austria to his destination.
